MINUTES TO BOARD MEETING

January 31, 2023

A Board Meeting was Zoom Meeting to discuss the proposal presented by LMSC Vice President Dale Haines regarding with a partnership with Sporting Delaware, FC Europa and Radnor Soccer Clubs. The intent of the proposal was to combine the top players at the U-13 age groups to form high level teams that could compete at the highest levels of play, specifically MLS-Next for boys and GA for girls.

A discussion was held regarding the financial implications for LMSC if such a partnership were to take place.

Another discussion was held regarding how this would affect the rest of the club, specifically the U-8 through U12 travel team age groups, the intramural program, etc.

The details on such a possible partnership are still evolving so no action will be taken by LMSC at the present time, but the club will continue to monitor the situation as things develop. Future meetings will take place when more details emerge.
